Requirements

1. Class Attendance and Participation

You are expected to attend and actively participate in every class meeting. Attendance will be marked in the roster and accounts for 10% of the final grade. Every class session missed, without authoritative documentation explaining the absence provided to the instructor, will result in one (1) point reduction of your attendance grade. Please note that late arrival to and early leaving from class might lower your attendance and participation grade.

The University encourages you to use the absence reporting website <https://sims.rutgers.edu/ssra/> to indicate the date and reason for your absence. An email is automatically sent to you. This does not mean that your absence is excused.

2. Exams and Quizzes

Exam 1: Monday, February 16, in class

Exam 2: Monday, March 30, in class

Exam 3: Monday, May 4, in class

The dates of the Quizzes are given in the Course Schedule. They will be held at the beginning of the class.
